Short Essay Questions:

1- I feel I am the best candidate to fill the vacant seat on the Maricopa City Council because along with living in Maricopa for over 5 years I also bring small business ideas to this unique situation. I understand what it takes to work in a team environment, sharing ideas although we may not always agree. I understand that it has been a difficult few years because of our weak economy. My families small business has made a small profit every year in this recession simply because we have cut unnecessary costs asking our employees what we can do to continue to build a safer, profitable and creative working environment. With these few thoughts I believe I would be a great asset to the Maricopa City Council.

2- Some qualities, attributes, skills, talents, and awards that I have obtained over my life that may enhance and diversify the Maricopa City Council are as follows: Completed the Dale Carnegie Leadership Course in 1990, Completed a focus group in 1991 that I walked over hot coals, and I have been on the Board of the Boys and Girls Clubs of Arizona. I also was honored to be on Council Member Bridger Kimbel's campaign and am currently assisting Sheriff Babeu's campaign for re election.

3- While living in Maricopa for over 5 years, the 3 concerns I have are as follows: Job Growth, Job Growth, Job Growth. If I have the opportunity to be appointed as a member of the Maricopa City Council I will strive to help understand what it will take to bring small business to Maricopa and build a strong economic environment.

4- Being a good policy maker and serve for the common good of all citizens and employees of Maricopa is extremely important to me because we are expected to be examples to our community in which we live. Being a good policy maker means to hold one another accountable, listening to the citizens, and working together as a board to create an environment that each council member can proudly stand behind.

Biography:

I have been involved in the agricultural industry for nearly 35 years. My family has always been in the dairy and farming industries. I helped manage the largest dairy facility of it's time in the early 90's. Arizona Dairy milked 5000 cows 3x/day, farmed and harvested 4000 acres of crop land. I also have been a managing partner on a 2600 cow milking facility and 2000 heifers also on the dairy location in Stanfield, Az. Because my father helped build and manage Arizona Dairy Co in East Mesa from the late 70's until 1994 when he passed away, I was always advised to listen and learn before sharing thoughts and ideas about the family operation. I watched my father earn respect from so many around the world because of his knowledge about the dairy industry. I've taken this experience and decided to surround myself with people that are driven with a passion to make a difference as my father did.

Today there is no doubt that compromise is the only way to get things done when working with others that have different ideas. This is lacking in politics today and because of this I have decided to enter politics.

Re: Scott Blevins for Town Council

Dear Mayor Price & Honorable Council Members,

I am writing this letter to let you know of my complete support for Scott Blevins who has submitted his application to run for Maricopa Town Council. I have known Scott for the past five years and have seen how committed he is to the Town of Maricopa and your residents. I can state without question, he is fully qualified to serve the residents of Maricopa on their Town Council because of his understanding of complex public policy issues.

During the years I have known Scott, he has been very supportive of law enforcement and has in fact volunteered countless hours to assist public safety so that he could better understand what it takes to keep your residents safe and crime rates low.

Scott is a dynamic professional who is well respected by many of us in the civic and business community. He has also carefully developed a good reputation among local, county and state elected officials due to his civic and political involvement.

I highly recommend that you also support Scott Blevins as I feel he will bring new ideas and continued leadership which will benefit the Maricopa Town Council and the citizens you serve.

Please feel free to call me directly at 520-866-5133 or paul.babeu@pinalcountyz.gov with any questions or additional information.

Mr. Mayor and members of City Council,

I am writing this letter on behalf of Scott Blevins, who is seeking to fill the vacant City Council seat of Alan Marchione. I believe that Scott would be an excellent choice to be our City Councilmember for the next 2 years. Scott is involved with many local organizations and has been supportive of many people that are on the current Council and also past councils. Scott cares deeply about the city of Maricopa and its future, and I believe he will play an important role on the city's progress in these next 2 years.

Scott has helped with golf tournaments, fund raisers, and many other community activities that have raised monies for charities, both locally, state wide, and also nationally. Scott has worked with me on many of these events. I have known Scott for 6 years now, and I can say that Scott has integrity, credibility, and accountability, which are some very good personal traits.

I know that the City Council has an important decision to make here, and I know that they will look at all the qualifications of all the candidates that are applying. You will need someone that will put in the time and energy necessary to make very important decisions that will be in the best interest of the City of Maricopa. Scott is a business owner and has established himself in the community, and is very qualified to fill this seat. I hope and pray that the Mayor and Council will evaluate the qualifications and realize how important it is to appoint the best person for the job. I believe the best person and most qualified person is Scott Blevins. I hereby by formally endorse Scott Blevins for City Council.

Sincerely,

Marty Hermanson
Citizen of Maricopa
